Dear Ms. Wilson:

I went over our file in this case and somehow our dates do not match.

1 We filed a paper called "Notice of Association with Customer Number and Change of Correspondence Address" when this application was filed on July 14, 2000 (not on September 1, 2000) as you indicated. You have a copy of this paper.

2. This application is a division of application 09/063,778 filed April 22, 1998. Certified copies of two priority documents were filed in the parent case on July 20, 1998 - no need to refile priority documents in a division case.

3. We filed a Reply to the Restriction Requirement on September 10, 2001, not a supplemental amendment. You have copy of said Reply.

4. I am attaching copy of the transmittal letter petitioning extension of time dated May 9, 2002.

5. We filed Request for Status on May 20, 2004, not an Amendment after Rule 312. The amendment under Rule 312 was filed July 30, 2004.

I do not have anything in our computer system that would indicate any other missing papers. Hope this helps. I have the file in front of me, if you have questions, give me a call.
